SUMMARY

Digital Project Coordinator with a creative and technical background, bridging users, business needs and development teams. With experience in web development, UX and collaborative environments, I structure digital projects and translate needs into actionable solutions.

Supporting digital implementation and stakeholder collaboration across projects, I focus on building products people understand, use and adopt.

WORK EXPERIENCE

Developer

01/2025 – 02/2026

Urban Tech • Brussels, Belgique

Built and deployed production-ready web applications, collaborating within a product team and contributing to UI architecture, backend and feature delivery ([SideGeek.com](https://sidegeek.com)).

Collaborated with stakeholders to translate requirements into deliverable features.

Fullstack Web Dev Coach

11/2023 – 01/2025

MolenGeek • Brussels, Belgique

Guided and mentored students while orchestrating web projects under real-life conditions.

3D / Modeling & Video Design

03/2023 – 12/2023

Tarmac • Brussels, Belgique

Designed and produced real-time 3D assets and visual experiences supporting brand storytelling and digital production pipelines.

Event Project Lead / Art Director

04/2021 – 11/2021

Emotion • Brussels

Developed visual identity, devised strategy, enhanced communication and event experience.

Event Styling & Creative Direction

02/2018 – 07/2020

Bloody Louis • Brussels

Managed scenography, oversaw production, and coordinated visuals and logistics.

Visual Merchandiser & Sales

04/2016 – 08/2023

Pinko • MMFG • Jimmy Choo • Swarovski • Brussels

Executed product staging, maintained brand consistency, and enhanced customer experience.
